FIG. 1

18

11 Digital channel-selecting means

14 Graphics OSD creating means

17 Display unit

13 Video signal processing means

16 RGB processing means

19

12 Analog channel-selecting means

15 Text OSD creating means

FIG. 2

18 — Digital tuner 101

19 — Analog tuner 103

Reception processing and controlling circuit 102 14

Control information input section 107 20

11

12

TV microcontroller 105

Video signal processing circuit 104

RGB processing circuit 106

Display unit 17

15

16

13

Reference numerals in the drawings

11	Digital channel-selecting means
12	Analog channel-selecting means
13	Video signal processing means
14	Graphics OSD creating means
15	Text OSD creating means
16	RGB processing means
20	Input processing means
101	Digital tuner
102	Reception processing and controlling circuit
103	Analog tuner
104	Video signal processing circuit
105	TV microcontroller
106	RGB processing circuit
107	Control information input section
